

The CSITC Website "CSITC.ORG"

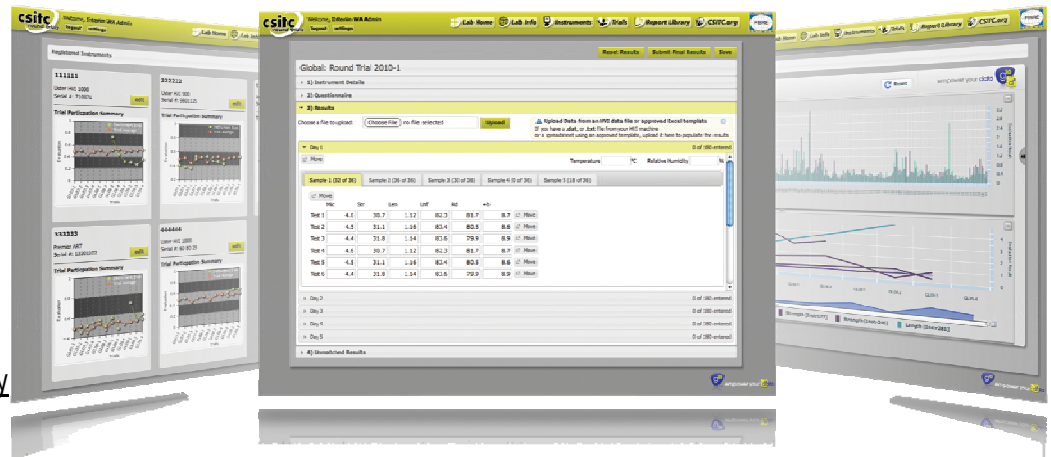

The Website

- Contains all information about the CFC/ICAC/33 project and the project partners
- Contains all information and reports about the CSITC Task Force
- Contains all CSITC Round Trial information with results as well as registration
- Contains useful technical information for all cotton testing laboratories
- Contains specific information for all existing Regional Technical Centres
- Allows entry to the CSITC Round Trial Database

The CSITC Round Trial Database

- Login access from the website
- Online test result upload
- Online download of laboratory specific CSITC RT Result Reports
- Trends of the evaluation results
- Specific DIY evaluations
- Online modification of laboratory and instrument details
- Optional addition of Regional Round Trials
